

CCTE TECH Camp
July 6-7, 2021
8:00 am – 3:00 pm
Entrepreneurship and Innovation Center

All rising 7th and 8th graders,

You are invited to be a part of an exciting two-day camp; College, Career and Technical Education (CCTE) Tech Camp. At camp you will be introduced to careers such as Unmanned Aerial Systems and Coding. Each day you will participate in exciting, hands on activities. Previous exposure is not necessary. The camp will be led by UAS instructor Elvia Klym and Coding instructor Steven Daly. CCTE TECH camp is only \$50 which includes lunch each day, a t-shirt, and many other perks that you will not want to miss.

Space is limited to 30 students and payments must be made through the online school payment. This opportunity is open to all current students in Williamson County Schools, Franklin Special School Districts, Williamson County private schools, and home school students. Complete the registration form below and make a payment to Williamson County Schools Online School Payment [website](#).
