CASE STUDY

LEGACY MIDDLE

Students engage in a day of service within their school.

Summary

Legacy Middle School in Franklin, Tennessee held a service day as part of its quarterly Romp and Roar celebration.

The main objective of the service day was to provide students with an opportunity to take an active role in improving their community and help them develop a sense of social responsibility.

In various classrooms, students were presented with a range of activities to engage in. These activities included creating blankets for the animal shelter, crafting capes for foster children, designing cards for first responders, producing words of affirmation posters for their community, and tidying up their school premises. Students rotated through the different activities held in each classroom.

Benefit one

Students come to understand that they possess the power and capability to assist others and create an influence on the world and their local community.

Benefit two

The service day created a feeling of unity among the students who collaborated to achieve a shared goal. Furthermore, the local community reaped the rewards of the students' hard work.
