**RENAISSANCE HIGH**  
Students perform for and visit  
with nursing and rehabilitation  
facility residents.

## Summary

Claiborne and Hughes is a Nursing and Rehabilitation Facility in Franklin, Tennessee, that provides a variety of care options for those who require skilled nursing care.

Renaissance High student vocalists and instrumentalists visited the facility in the spring of 2023. The purpose of the visit was to provide entertainment for the residents and to give the students an opportunity to showcase their musical talents.

Upon arrival, the students were warmly welcomed by the residents and staff. They set up their equipment and began to perform in the activity room. The vocalists sang a beautiful rendition of *Everything's Gonna Be Alright* which immediately drew in the audience. They followed that with classic hits such as *Lean on Me* and *Sweet Caroline*.

## Benefit one

The Renaissance High School students had the opportunity to showcase their skills to a new and enthusiastic audience and connect with members of the community who they might not have otherwise met.

## Benefit two

Residents were entertained by the performance and were able to talk with students about music and other interests. Interacting with a younger generation lifted their spirits.

## How it Worked

- Renaissance principal contacted the facility about having students visit and perform.
- Students and staff walked from school to the facility. One staff member drove the instruments and equipment.

## RESOURCES

How can you make this work for your school?

### Lessons Learned

- Activities Coordinators are always looking for entertainment and engagement opportunities for residents.
- Visits from students brighten the day of residents and can aid in their recovery from illness or injury.
- The students realized they have more in common with another generation than expected.
