-----------------	----------------------------

Families who have a currently enrolled WCS student in grades K through 11 are asked to complete a registration update using their [Skyward Family Access Account](#) prior to Skyward Family Access closing for the summer. This will ensure your child is ready to begin school the upcoming school year.

For the best user experience, we recommend using a computer and the Chrome browser. For language support, you may want to utilize the [Google Webpage Translator for Chrome](#).

Ensure your pop-up blocker is set to allow pop-ups from Family Access. [Instructions](#)

Please contact the school where your child is zoned and request to speak with the secretary or registrar in charge of enrollment.

Tips

To easily view forms without scrolling from side to side, use the **View Full Screen** button.

To return, use the **Exit Full Screen** button.

Most of the information will be populated with information already in Skyward and locked for editing. To make changes to information that is locked, you will need to contact the school of your currently enrolled child.

It is important to note that if you have a student moving to a new school next year, you might see the current school year until Skyward transitions in the summer.
