

Pay for School Meals Online

We encourage parents to use a MySchoolBucks account to conveniently and securely add money to their child's account for this purpose, either online or with the mobile app.

With MySchoolBucks you'll be able to view cafeteria purchases, check your child's balance, receive low balance alerts, and add money to your child's account from anywhere!

Get Started Today:

1. Go to www.myschoolbucks.com or download the mobile app.
2. Create your free account and add your children using their school name / student ID.
3. Add funds using your credit / debit card or electronic check.
Note: For each transaction, you will be charged a program fee.
4. Set up automatic payments and never forget to send in lunch money again.

We appreciate you using this online option to help reduce the amount of physical cash and check handling that would typically happen in the serving line.

If you need assistance with your account, you can find helpful how-to videos and answers to commonly asked questions by visiting myschoolbucks.com. You can also contact MySchoolBucks directly by logging into your account to start a chat conversation or give them a call at (855) 832-5226.

MySchoolBucks does **NOT** handle refund requests or transfer requests.

If your student graduates or leaves the WCS district, please request a **refund** at the following website:
