

Access the ClassLink Dashboard

Before accessing the ClassLink Dashboard, it is recommended that you sign into Google Chrome with your WCS profile. Please see [Create and Use WCS Profiles](#) for instructions.

Access WCS Chrome Profile

Open **Google Chrome**.

Select your **WCS profile**.

Who's using Chrome?

With Chrome profiles, you can separate all your Chrome stuff. Create profiles for friends and family, or split between work and fun.

If Chrome is already open, select the **profile icon** in the top, right corner, then verify your WCS profile is displayed.
