

Directions for Families to View Reading Screener Results in Skyward Family Access

To comply with TN Public Chapter 330, you can now view your child's most recent Reading Screener results in Skyward under the **Test Scores** section. These directions will help you locate those results.

Skyward Login

A parent or guardian must log into Skyward using their Skyward account, accessible here:

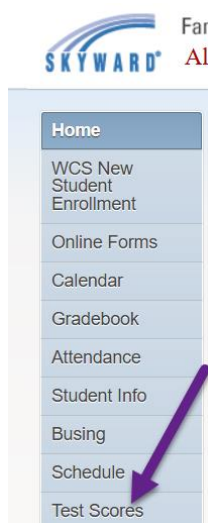

<https://skyward.wcs.edu/>

If you have trouble logging in, please reach out to your student's front office.

To view the Test Scores area in Skyward Family Access, we recommend using the web version of Skyward on a laptop or desktop computer. Directions for both web and the mobile app options are shown below.

Accessing Results—Web Browser (computer)

In the menu on the left, click Test Scores.

(If the menu is not visible, first click on the plus sign.)

In the Test Scores area, you will see results for the most recent screeners. The title to look for is *RdLxL – Reading Lexile*. Click on the link that says (Show Scores).

Below is a sample of the Test Scores area.
