The HOPE Scholarship GPA listed on the transcript is calculated using the TN Uniform Grading Scale. It is calculated for HOPE scholarship eligibility only.

Beginning with the 2025-26 school year, WCS began recalculating GPAs of transfer students using the WCS weighted scale to create a uniform Weighted Cumulative GPA for all WCS students. Prior to the 2025-26 school year, GPAs of transfer students were taken “as is” from their prior school, whether weighted or unweighted.

Williamson County Schools Board of Education policy 4.600: For the graduating class of 2020 and beyond: “Williamson County Schools will not rank students numerically.”

The Average Policy for certain courses allows students to gain a full credit if they failed the first semester but passed the second semester and the average of the two semesters is a D or higher. This policy applies to the following courses: math, foreign language, chemistry and physics.

Credit recovery for courses failed fall 2017 and after is recorded on the transcript as “D”.
