

Mini-Bid #1362 Cat 2 E-Rate Compliance

This public notice hereby signifies and disclosed that Willaimson County Schools is participating in the current E-Rate compliant competitive mini-bid process thru the Tennessee Education Broadband Consortium (TEBC). The specific nature of this project is to competitively and publicly procure Category 2 IT and Communications Infrastructure Equipment and Related Goods.

WCS is participating in this project through our contracted representative, CSM Consulting. The mini-bid process will occur during February and March of 2025 with anticipated award contracts completed by around March 25, 2025.... ONLY vendors that have been pre-qualified, pre-approved and vetted by TEBC are allowed to participate in this WCS mini-bid project.... For more information – please contact CSM Consulting, Canice Hall chall@csmcentral.com .
