

ADDENDUM!

To: Prospective Bidders
From: Collier Engineering Co, Inc.
Subject: WCS- RFB #1343 Bethesda ES Drainage Improvements
Date: May 16, 2024

This addendum shall be a part of the plans, bid book, and contract to the same extent as though it were originally included therein, and it shall supersede anything contained in the plans, bid book, and contract with which it might conflict. This addendum, including all attachments, shall become part of the contract documents. Acknowledgement of receipt of this addendum must be noted in the appropriate section of the bid form and included in the bid book/contract. Failure of any Bidder to receive this addendum shall not relieve such Bidder from any obligation under his bid as submitted.

A. Modifications to Bid Book/Contract Documents

1. Section 003.4 Instructions to Bidders is hereby revised to reflect the following changes:
 - a. 4. Addenda and Interpretation
 - i. The date that Collier will receive RFIs from bidders was listed incorrectly on page 7 in the original bid book.
 - ii. Collier will receive RFIs from bidders until **4:00 pm on Thursday May 23, 2024**. All such interpretations shall be in the form of written addenda to be electronically delivered to all prospective bidders no later than **4:00 pm on Friday May 24, 2024**.
 - b. A revised complete copy of the entire bid book (v2-051624) is attached hereto. Section 003.4 is clouded for clarification. Please use version 2 of the bid book.

Questions asked at pre-bid by prospective bidders and answers from engineer:

1.Q: Is there a DBE/SBE/WBE component to the bidding of this project?

A: No

0..

2. **Q:** What is the size of the existing drainage structure inside the playground area?

A: 2.6'x2/6'

3. **Q:** Is there a geotechnical report for the soils?

A:No.

4. **Q:** Is there a way to find out the soil conditions?

A: On occasions our geotechnical professional has used and referenced these websites. Bidders and contractors use it at their own risk.

- National Geologic Map Database: ngmdb.usgs.gov
- Web Soil Survey: websoilsurvey.nrcs.usda.gov
