Addendum I
RFB # 1355
WILLIAMSON COUNTY SCHOOLS
Annual School Bus Bid Project

This Addendum I serves as an integral part of the WCS - RFB # 1355 Annual School Bus Bid for Williamson County Schools. A change in the terms, conditions or specifications has been enhanced or modified. Unless otherwise noted, all previous terms, conditions, and specifications shall remain the same. The bid opening date and time shall remain the same, Friday, November 1, 2024 at 10:30 a.m.

IMPORTANT INFORMATION CONCERNING GPS BID SPECS

Concerning this bid project, WCS Transportation has determined that we will **not need** any GPS devices installed on the buses this year as we normally do. WCS has changed the type of system we are using from Zonar systems to **Samsara Systems**.

WCS has enough extra **Samsara** devices to meet the needs of the buses we will be purchasing off this bid project. Please do not include these devices in the bid price for this project.

In the future, if WCS needs to add these devices back into our specifications we will update the specifications and include the new Samsara Systems for your convenience.

Thanks for your cooperation.
