ADDENDUM I

WCS RFB #1368 Centennial High School Walk-in Cooler/Freezer Replacement

RELEASE DATE: March 28, 2025

IMPORTANT REMINDER TO POTENTIAL BIDDERS

The pre-bid meeting for this project is taking place on Thursday, April 3, 2025 at 2:00 pm. This is an onsite meeting at Centennial High School. Attendance is **highly encouraged and strongly recommended**. This will be an opportunity for potential bidders to evaluate the site, scope and onsite circumstances/conditions. It will also be the appropriate opportunity for bidders to inquire and ask questions. After the pre-bid meeting – the WCS Food Service Director will relay any/all questions and answers to the WCS Purchasing Dept.

Purchasing will prepare an Addendum and release it to the potential bidders. To reiterate this will be the only time the site will be available before the bid opening and a prime opportunity for Q and A's along with site inspection. We have received several calls and emails in the last few days – asking questions. We are not participating in Q and A's through this method of calls and emails. We have full intentions to address all Q and A's that are brought to our attention during the pre-bid meeting. Please make sure you address your question to James Remete Food Service Director.
