RFB #1378
WILLIAMSON COUNTY SCHOOLS
Various District Vehicles & Motorized Equipment

Williamson County Schools (WCS) is currently accepting sealed bids from qualified dealers interested in bidding on vehicles and motorized equipment for the district. Bids must be submitted in a sealed bid envelope express mailed, or hand delivered to the WCS Central Office, 1320 West Main Street, Suite 202, Franklin, TN 37064, Attn: Skip Decker.

Sealed bid envelopes will be received until 2:30 p.m. on Thursday, August 14, 2025 at which time they will be officially opened. Faxed or Emailed bids will **not** be accepted. Any bids received after the specified opening time will **not** be accepted. In the event WCS must reschedule a bid opening date or time, the specifications obtained from the WCS Purchasing Department shall reflect the actual date and time. Once the sealed bid envelope is submitted to WCS, the Purchasing Department will stamp the face of the envelope to authenticate the actual date and time it is received. The RFB opening will take place at the aforementioned address.

THE FOLLOWING INFORMATION MUST BE PRINTED ON THE OUTSIDE OF THE SEALED BID ENVELOPE

Note: Bidders who fail to do this are subject to be rejected and may be discarded

- RFB #1378 Various District Vehicles & Motorized Equipment
- Name of Company and Address
- Date and time of Bid opening

Note: The following must be included inside the sealed bid envelope

- Signed and completed Iran Divestment Certificate
- Signed and completed Non-Boycott of Israel Certificate
- Signed and dated Bid Cover Sheet
- Specifications or bid specs that the bidder would like to include. Specifications that are submitted must not exceed more than one page per vehicle or equipment item.

Williamson County Schools reserves the right to accept or reject bids, based upon the evidence (or determined by WCS Staff) before or after the bid opening, that a bidder is not necessarily qualified by experience, is not in a position to perform the work specified in the time allotted, or upon evidence of collusion with intent to defraud or other illegal practice or that the item or equipment submitted for bid does not meet the desired WCS specifications as determined by WCS Staff.

SECTION I – General Terms and Conditions

1. All bids are to be completed in every detail as required. Bids that are incomplete, contain irregularities, or are not in accordance with the specifications may be rejected. WCS reserves the right to waive any formalities to accept any bids as a whole, split bid, and /or accept any individual item or items within a bid or to reject any or all bids in the best interest of WCS.
2. WCS reserves the right to award multiple vendors at its sole discretion. WCS desires to purchase approximately both vehicles and motorized equipment. It is the intent of WCS to award multiple vendors because of the various types of vehicles and equipment we are requesting. However, if one vendor has the lowest and most responsive bid on all items, it is possible they may be awarded the entire project. All awards will be based on current funding. These vehicles may be different makes or models...However, they must reasonably meet or exceed all the bid specifications herein. Award Purchases will be made depending on price and availability and may result in the purchases being made from the same or different vendors.
3. Unless noted, bid is not limited or restricted to any specific manufacturer, brand name, model or make. The use of the name of a manufacturer or any special brand name, model or make in describing an item or the use of detailed descriptive specifications pertinent thereto, does not restrict bidders to that manufacturer or specific article or such detailed descriptive specifications. As previously stated, this means, or method is simply being used to indicate the character or quality of the desired article. All items, however, must be of such character, quality and design as will serve the purpose for which it is intended to be used equally as well as that specified, and be equally suitable to the needs of Williamson County Schools.
4. When a vehicle or motorized equipment is bid that differs on the make, model or brand specified, the manufacturer's name and catalogue reference, together with specifications, must be given along with any additional information pertaining to that vehicle. This information must be clearly stated on the RFB coversheet in every instance to enable the Purchasing Agent to determine its suitability, or otherwise. Williamson County Schools reserves the right, through the Purchasing Department, to be the sole judge in such determinations.
5. This bid is ultimately subject to funding as with all WCS bid projects. WCS is a government and tax-exempt organization. Although WCS is tax exempt, if there are any applicable sales/use tax, then the bidder is responsible for (and bid cost must reflect) any/all sales and use tax for the vehicles, delivery and or equipment.
6. Quantities have been provided as approximations and may be estimates of potential purchases, not an initial purchase quantity. In addition, quantities provided are the best estimates of anticipated orders; however, WCS cannot guarantee fulfillment of usage estimates. WCS reserves the right to increase or decrease amounts and/or quantities.
7. NOTE: Bids are to be valid for a minimum of 60 days or until they are awarded, whichever comes first.
8. Back orders are discouraged, and bills for partial shipments are not acceptable.
9. Dealer or manufacturer incentives, cash allowances or rebates must be reflected / included in your bottom-line bid / price per vehicle. Any such promotional discount must be filed and processed by the bidder, not WCS.

10. If vehicle or motorized equipment options listed have been unintentionally omitted that require future purchase, the awarded bidder should extend a comparable discount for such items. These items may be negotiated with the awarded bidder. WCS reserves the right to cancel any PO with or without written notice within 30 days. The Williamson County Schools Purchasing Department must approve any changes in offers to the original bid specifications.
11. The language of this RFB shall be binding unless mutually amended by WCS and the awarded bidder. Issuance of a WCS purchase order will be considered in the award notice. The terms and conditions of this RFB and detailed purchase order shall constitute the entire agreement. It is the intent of WCS to make awards to the lowest and best bids that are most responsive and meet or exceed the specifications as determined by WCS.
12. Because the WCS Purchasing Agent does not have the ability to list every specification or exact description when placing these items out for bid, the bidder shall abide by and comply with the true intent of the specifications and not take advantage of any unintentional error or omission. The bidder shall fully address the full intent and meaning of each aspect of the specifications or descriptions and provide vehicle or motorized equipment that meets or exceeds the needs of WCS.
13. All invoices must have an approved WCS purchase order number. WCS requires one itemized invoice per purchase order which shall be presented after WCS has received 100% complete delivery (of all vehicles and motorized equipment on the purchase order) and to the satisfaction of the Purchasing Department. No prepayments nor partial payments will be made by WCS.
14. Invoice must be reflective of original bid; WCS will not be responsible for “added expenses”. Bidders should submit the most competitive “all in” bid/cost. Prices must include complete shipping/delivery costs to the WCS Central Office. The awarded bidder must provide full arrangements for delivery. **No vehicle or motorized equipment shall be delivered to any address (other than WCS Central Office) unless instructed by the Purchasing Department.**
15. It is the awarded vendor’s responsibility to comply with all local, state, and federal laws, regulations, codes, licensing, and other requirements. The vendor must be prepared to substantiate compliance upon request by the Board’s representative. In the event a bidder fails to perform, WCS reserves the right to begin negotiations with the “next best bidder” to complete the projects or services. In addition, the vendor may forfeit future business with WCS.
16. WCS will secure tags for the vehicles, and the related tag cost shall therefore be excluded from bid cost.
17. **LIQUIDATED DAMAGES: The deadline to receive all units that are ordered is March 10, 2026. There is a \$250 per calendar day liquidated damage penalty – deducted from final invoice for units not satisfactorily received by WCS in compliance with the deadline date of 3/10/2026. Only ONE Award PO will be issued to each awarded vendor. Do Not Stagger Delivery of Vehicles/Equipment. All vehicles and motorized equipment ordered on any particular PO must be delivered to WCS at the same time. If the vehicle has not been delivered at the time specified, WCS will have the following 3 options: 1. *Applying liquidated damages of \$250 per consecutive calendar day until delivered.* 2. *Accept the dealer’s adjusted delivery date or* 3. *Cancel the PO without any penalty to our organization.* This decision will be made at the appropriate time.**

18. **DELIVERIES MUST BE SCHEDULED WITH THE WCS PURCHASING DEPARTMENT, (not the department the vehicle or equipment is purchased for)** at least 48 hours in advance of delivery. After delivery is made, the awarded bidder must present a detailed, itemized, consolidated invoice. Upon delivery, the certificate of origin for vehicle or equipment, the original window sticker, and the bill of sale with the current odometer reading should be presented to the WCS Purchasing Department. WCS Purchasing Department will coordinate vehicle inspection and invoice approval. Failure to follow these instructions will result in a delay in payment.
19. Bids are to be completed in every detail as required. Bids that are incomplete, contain irregularities, or are not in accordance with the specifications may be rejected. WCS shall accept all bids that are submitted properly. However, WCS reserves the right to request clarifications or corrections to bids if needed.

Section II – Obligations

The terms and conditions of this document shall be part of the contract. Williamson County Schools reserves the right to negotiate other terms and conditions it deems appropriate and necessary.

INDEMNIFICATION /HOLD HARMLESS:

The awarded bidder shall indemnify, defend, save, and hold harmless Williamson County Schools, its officers, agents and employees from all suits, claims, actions or damages of any nature brought because of, arising out of, or due to breach of, the agreement by vendor, contractor its subcontractors, suppliers, agents or employees or due to any negligent act or occurrence or any omission or commission of vendor, contractor, its subcontractors, suppliers, agents or employees.

WCS requests that the bidders put the anticipated delivery date of the item on the bid document. WCS reserves the right to consider dates as well as price when awarding and purchasing any vehicle or motorized equipment on this bid. If a delivery date is much sooner than a competitor's but the bid price is slightly higher, WCS may choose the faster delivery if it is in the best interest of Williamson County School District.

SPECIAL INSTRUCTIONS

- All vehicles and equipment shall contain a Full tank of gas upon delivery to WCS.
- No NEW vehicle will be accepted that has more than 120 miles on the odometer unless WCS has approved in advance and agreed to take a vehicle that has slightly over 120 miles for the purpose of receiving a discount or other justification at WCS discretion. This must be documented in writing and the vendor must have pre-approval before the vehicle or equipment may be delivered.
- The original (MSRP) manufacturer's window sticker must stay intact and must accompany the delivery papers or be affixed to the window inside each vehicle upon delivery.

SUBMITTING BIDS

This bid lists several items. Since the items vary in scope, it is most likely that WCS will award more than one vendor on a line-item basis. When submitting a sealed bid, all bidders are encouraged to bid on as many items as they would like, but it is not necessary to bid on all items.

Bidders are welcome to bid on one or more items and will not be penalized for only bidding on one item. Mark any items that are not being bid as N/A on the bid cover sheet.

VEHICLE & EQUIPMENT SPECIFICATIONS

- Vehicle and Motorized Equipment Specifications are disclosed on the following pages.
- WCS has made every attempt to list pertinent information on these specifications.
- Since manufactures differ and similar vehicles or equipment (that are different brands) may have slightly different specifications on the GVWR, body, chassis, engine sizes etc...please note a reasonable variation of the specifications will be accepted if it is clearly marked on the bid cover sheet and does not vary more than an incremental amount.
- WCS has attempted to give bidders a range of options which are acceptable that can include many different make and brands of vehicles and equipment in order that multiple bidders can meet the specifications.
- If your vehicle or motorized equipment is like all specifications but only has a slight difference that is outside the realm of these ranges, please let us know. If this “out of range difference” is acceptable to WCS, an addendum will be issued to allow all other bidders the same options when submitting a bid.

Bidding Timeline:

- Advertised in the Tennessean and Herald.....Thursday, July 24, 2025
- Last date for addendums.....Monday, August 11, 2025
- Bid Opening at WCS Central Office.....Thursday, August 14, 2025 @2:30 p.m.
- Bid tabs released with intent to award.....approx. Friday August 15, 2025
- A fully funded award PO will be issued to winning bidder(s) approx. 10 consecutive calendar days after the name of apparent low bidder(s), bid tabulation is released and the intent to award is released.
- No bidder may withdraw their bid within 60 consecutive calendar days after the actual date of the public bid opening on Thursday, August 14, 2025.
- **If items are not delivered by March 10, 2026**, Liquidated Damages of \$250 per day are subject to begin on the following date and continue each consecutive day until the item has been received by WCS. Liquidated Damages will be deducted from the bidder’s invoice. All deliveries must be 100% complete within 180 calendar days from the date of WCS Purchase Order.

NON-BOYCOTT OF ISRAEL
CERTIFICATION

Tenn. Code Ann. § 12-4-119 prohibits public entities from entering into a contract for services, supplies, information technology or construction unless the contract includes a written certification that the company is not currently engaged in and will not be engaged in for the duration of the contract, a boycott of Israel. This applies to any contract entered into on or after July 1, 2022. The law does not apply to contracts with a value of less than \$250,000 or in contracts where the supplier has less than ten employees.

A boycott of Israel means engaging in refusals to deal, terminating business activities or other commercial actions that are intended to limit commercial relations with Israel, or companies doing business in or with Israel or authorized by, licensed by or organized under the laws of the State of Israel to do business, or persons or entities doing business in Israel, when such actions are taken: (1) In compliance with, or adherence to, calls for a boycott of Israel, or (2) In a manner that discriminates on the basis of nationality, national origin, religion, or other unreasonable basis and is not based on a valid business reason. Tenn. Code Ann. § 12-4-119.

Certification Requirements.

Complete all sections of this certification and sign and date it, under oath, in the presence of a Notary Public or a person authorized to take an oath in another state.

CERTIFICATION:

The Contractor certifies that it is not currently engaged in, and will not for the duration of the contract engage in, a boycott of Israel as defined by Tenn. Code Ann. § 12-4-119. This provision shall not apply to contracts with a total value of less than two hundred fifty thousand dollars (\$250,000) or to contractors with less than ten (10) employees.
