

Addendum #1 for WCS RFB #1409 Hazardous Waste Collection and Removal

As noted herein, certain specifications, terms and conditions of the original RFB #1409 are modified, updated or clarified. Unless specifically noted, all other specifications, terms and conditions from the original RFP document shall remain the same.

This project involves 19 separate school campuses to collect hazardous waste from. All these schools are located within one county (Williamson). The awarded contractor will pre-coordinate with each school a specific and documented appointment time. Once the contractor is onsite at each school, they will have the school administrator or science teacher sign off on the manifest.... At the end of the project, the contractor will provide ALL manifests, and related project paperwork as ONE packet along with ONE consolidated – detailed invoice to the Purchasing Dept of Williamson County Schools (Central Office). The invoice address is:

Williamson County Schools
1320 West Main St.
Suite 202
Franklin, TN 37064
Attn: Kirk Elliott

If the invoice is accurate, proper and matches the respective bid – then WCS will have payment in full remitted within 10 – 12 calendar days.

Once awarded, If additional forms need to be signed related to the project --- the forms can be emailed to the one business coordinator's email at kirke@wcs.edu .
