ADDENDUM 1

To: Prospective Vendors
From: WCS Purchasing Department
Subject: WCS RFQ #1417 School-Aged Child Care (SACC) Before & After School Enrichment Clubs
Date: August 12, 2026

This Addendum No. 1 to the Request for Qualifications (RFQ) is issued to communicate questions received and Williamson County School's responses thereto. All vendors are advised to consider this information when preparing their Statements of Qualifications.

Question 1

Are you looking for someone to run the aftercare program or someone to provide an activity?

Response:

Williamson County Schools is seeking qualified local businesses and organizations to provide enrichment activities for students participating in the School Age Child Care (SACC) program at elementary schools. The District employs full-time SACC directors and staff at each school; therefore, vendors are not being solicited to operate or manage the aftercare program. Rather, vendors will provide enrichment activities for students who elect to enroll, under the supervision of SACC staff.

Question 2

If it is an activity, is this something the aftercare program pays for, or is it contracted directly through parents with the vendor providing services during aftercare hours?

Response:

SACC contracts directly with approved vendors to provide enrichment activities on a per-student basis. SACC collects the applicable activity fees from participating parents. Following the enrollment period and delivery of services, the vendor shall invoice SACC at the agreed-upon per-student rate, and SACC will remit payment in accordance with the contract terms.
