 RE: Purchasing Report

Contains bid projects for the months of February 2021

The following is a summary of pertinent bid data for inclusion with the Board Materials to be reviewed at the next meeting. The summary is an order of ascending bid sequence numbers and not necessarily by date. Pursuant to Board Policy, this summary reports recent RFB's (Requests for Bids) and RFP's (Requests for Proposals) that were administered by the WCS Purchasing Department. As always, any purchasing – bid project that may require Board action should appear on the Board Agenda. The projects listed below do not require Board action at the present time and are listed here for your information. If further details are needed, please contact the Purchasing Department to review any of the related bid – project files. In addition to the projects listed in this monthly report, the WCS Purchasing Department continues to review, approve, and process numerous daily purchase orders that encompass day-to-day operations as well as negotiate renewals of previously bid contracts.
