 RE: Purchasing Report

Contains bid projects conducted during the month of February 2025

The following is a summary of pertinent bid data for inclusion with the Board Materials to be reviewed at the next WCBOE meeting. The summary is in order of ascending bid sequence numbers and not necessarily by date. Pursuant to Board Policy this summary reports recent RFB's (Request for Bids) and RFP's (Request for Proposals) that were administered by the WCS Purchasing Department. As always any purchasing - bid project that may require Board action should appear on the Board Agenda. The projects listed below do not require Board action at the present time and are listed here for your information. If further details are needed please contact the Purchasing Department to review any of the related bid - project files. In addition to the projects listed in this monthly report the WCS Purchasing Department continues to review, approve and process numerous daily purchase orders that encompass day to day operations as well as negotiate renewals of previously bid contracts.

Mini Bid #1362	Category 2 - E Rate Compliance
Project	Williamson County Schools is participating in the current E-Rate compliant competitive mini-bid process thru the Tennessee Education Broadband Consortium (TEBC). The specific nature of this project is to competitively and publicly procure Category 2 IT and communications infrastructure equipment and related goods.
Department/Director	Technology, Tim McNeese
Advertised	This project was placed on the WCS Website on February 7, 2025
Certified E Rate Management Professional	Candice Hall, CSM Consulting Inc.
Evaluation of Proposals and the subsequent Award Time Line	CSM Consulting Inc. was commissioned to assist the WCS IT Department with the matrix evaluation and possible awards. Electronic submittals were due on February 21, 2025. After the proposal submittals have been evaluated and a decision has been made concerning any possible awards, the decision will be finalized in March.
