

## Full Day Care Policy

SACC desires to serve working parents who depend on SACC for their childcare needs when school is out. Our policy is outlined below.

SACC offers full day of care most days when school is out of session. During breaks, childcare is available from 6:30 a.m. until 6:00 p.m. at select assigned locations for WCS students in grades K-5. Students attending on a full day of care will need to bring a sack lunch, food services will be closed. A light snack will be provided in the afternoon.

Advanced registration is required on a full day of care. Drop-in care is not provided. Full day fees are \$44 per child/ per day. Registration for full days of care will be available when school year registration opens. Children who are registered as full-time, part-time and full days are eligible to register for a full day of care, provided space is available.

Parents/guardians must sign up their child/children, make changes, or cancel childcare no later than one week in advance of the start of the break or full day. Signups will be available through the parent portal in advance. Registration will conclude one week prior to the break or full day of care or when a site reaches capacity. If you sign up and do not attend, you will be responsible for the tuition fees. Full day fees are \$44 per child/ per day of care.

If a family misses the registration deadline consideration will be given to add the student provided space is available. Space is **NOT** guaranteed. A \$15 late registration fee will be added to your account for each child adding after the deadline.
