

Inclement Weather Policy

SACC desires to serve working parents who depend on SACC for their childcare needs during inclement weather. Our policy is outlined below. Please be advised if conditions do not allow safe travel for staff and parents, SACC could be closed.

If schools are closed due to inclement weather, Superintendent of Schools, and his administration will make the determination whether to operate the SACC program. WCS, along with the media will report if extended care (SACC) will be open or closed. An email will be sent to SACC families with an email address on file.

If open, SACC hours will be reduced to ensure that staff members can arrive and get home safely, to ensure that children are adequately supervised, and grounds personnel are able to clear parking lots and walkways in a timely manner. The hours will be 7:00 am to 5:00 pm unless otherwise indicated.

The rate is \$44 per child/ per day on inclement weather days. Breakfast will not be served. Students will need a sack lunch.

SACC we will only operate at select school locations on days where school is closed for the entire day due to inclement weather. The locations will be staffed by employees from corresponding locations. The following locations will be open on inclement weather days.
