

2021-2022-Seventh Grade-Visual Art-All Quarters

Exploration

Big Ideas/Key Concepts:

Students will express meaning through generating and conceptualizing artistic ideas and personal voice through both creation and analyzing intent/meaning in artistic work.

Enduring Understandings:

Students will demonstrate knowledge and exploration of art production through the use of varying mediums. Students will connect artistic works through different art movements and historical periods. Students will focus on artistic voice and have the ability to analyze, interpret, and evaluate both personal and peer work.

Essential Question:

What is the value and importance in the ability to process and interpret intent and meaning in artistic works? How does learning about art impact how we perceive the world? How is a personal preference different from an evaluation?
